Tippecanoe County Historical Association Awarded NOW Grant from Community Foundation of Greater Lafayette

Lafayette, IN (June 7, 2023)—The Tippecanoe County Historical Association has been awarded a grant of \$8,305.57 from the Community Foundation of Greater Lafayette, to assist in various HVAC repairs at the Frank C. Arganbright Genealogy Center and the History Center. These properties contain both programming space and collections storage.

“A proper environment for both our collections and programming is important in the fulfillment of our mission,” shares Tippecanoe County Historical Association’s Executive Director, Claire Eagle. “With recent failures of our HVAC systems just as the summer heat began, these repairs are crucial for the protection of our collections and the health and safety of our staff, volunteers and program attendees.”

The Tippecanoe County Historical Association sincerely thanks the Community Foundation of Greater Lafayette for their quick assistance. Repairs have begun and are expected to be completed within a week.
