

For Immediate Release –

**Tippecanoe County Historical Association Awarded Grant from North Central Health Services
for Feast of the Hunters’ Moon Safety Equipment**

Lafayette, IN (December 2, 2024)—The Tippecanoe County Historical Association (TCHA) has been awarded a grant of \$57,084.75 from North Central Health Services (NCHS) for the installation of a weather warning system on the Feast of the Hunters’ Moon grounds.

The Feast of the Hunters’ Moon is TCHA’s premier program. Spanning over 30 acres, this annual event welcomes visitors to explore the rich heritage of this area. An alert system will allow us to communicate any weather or other warnings with our visitors, better ensuring the safety of 40,000 Feast attendees and the other hundreds of visitors that participate in our other living history programs throughout the year.

“We are so thrilled to be able to expand the safety protocols in place to ensure that each Feast is a safe and welcoming environment for our visitors,” shares the Feast of the Hunters’ Moon Event Coordinator, Brooke Sauter. “Thanks to NCHS this alert system allows us to accomplish that.” Installation will begin in spring 2025.”

This project is made possible through a generous grant from North Central Health Services (NCHS) administered by The Arts Federation.

About the Tippecanoe County Historical Association

The Tippecanoe County Historical Association (TCHA) is a non-profit organization dedicated to enriching the lives of the Tippecanoe County residents and visitors by collection, preserving, researching and sharing Tippecanoe County’s unique and diverse history.
