In honor of the Bicentennial of the founding of Lafayette (2025) and Tippecanoe County (2026) the Tippecanoe County Historical Association has been working on a book about the history and development of Tippecanoe County. This publication will consist of two hundred stories of individuals, institutions, businesses, and events that shaped the county to what it is today. Your name has been recommended to the TCHA Bicentennial Events Committee as a person whose writing and researching talents can help us as a volunteer, credited author in this publication. The TCHA Bicentennial Events Committee has created a list of topics that cover this development from the founding of Lafayette in 1825 to the present. We are looking for authors to write 600-word articles that demonstrate the importance of these topics in shaping the county. The works should utilize the TCHA archives, photographs, and artifacts whenever possible. The intended audience of this book will be both new and long term residents. Please join us in this celebratory project.

Please contact me if are interested and/or know of others who might be interested in writing articles for this publication. Included in this email is an authors guide and a list of topics.

Thank You,

David M. Hovde
Chair of TCHA Bicentennial Publications Committee
