

Civil War Soldiers who lived in Tippecanoe County

This list was created from index cards in our collection. The cards were created from three main sources:

- 1869 Report of the Adjutant General of the State of Indiana
- 1886 Pension Enrollment (not everyone enlisted in Indiana)
- 1865 Enumeration of volunteers with families who were in Service April 4, 1865 or who died in service

A few additions came from obituaries and muster rolls. Every effort was made to interpret spelling correctly.
