

Tippecanoe Treasures

By the Tippecanoe County Historical Association

The Tippecanoe Treasures series was coordinated by TCHA from 1997-2006 as a fund raising project. Most of the building models are no longer in stock, but occasionally can be found at local antique shops, online or are given back to TCHA for resale. To learn what is currently in stock at the TCHA History Store, call 765-567-2147 or email HistoryStore@tippecanoehistory.org
